1:1 Tutorials & Progress Reviews

The tailored support of our expert tutors is always available thanks to our open door policy, but to ensure apprentices are confident in converting learning into practice our tutors will arrange a monthly catch up to discuss their workplace performance and liaise with line managers to support this.

'I think the tutors are really good, everyone I've had contact with has been really helpful.'

Ross Jillings- Community Sport & Health Officer Level 3

Face to Face Learning Events

To support the regular online interactions, apprentices will attend at least 3 high impact learning events. This will include an adventure learning experience at the outstanding Mount Cook Adventure Centre, an industry experience and guest speaker, and a peer-to-peer networking event.
