

MITRE

LEADERS IN TRAINING

Teaching Assistant Apprenticeship

LEVEL 3

Qualification level: Level 3

Duration: 12 months

This apprenticeship programme will provide the knowledge and skills required to support teachers in the classroom. They will contribute to the implementation of problem solving techniques and ensuring equality and diversity procedures are followed at all times. Throughout the course they will learn how to build working relationships between themselves, students and teachers.

Expert Lead Webinars

Apprentices will complete a full-day webinar each month. These are completed in groups of 10 people maximum to ensure an engaging and interactive session that develops subject expertise.

Topics will include: Knowledge

- Understanding pupils develop and learn
- Understanding how to provide feedback
- Recognising different stages in a child's development

Skills

- Recognise appropriate technology
- Team Work

Behaviours

- Building relationships
- Promoting equality

- **and much more.**

1:1 Tutorials & Progress Reviews

The tailored support of our expert tutors is always available thanks to our open door policy, but to ensure apprentices are confident in converting learning into practice our tutors will arrange a monthly catch up to discuss their workplace performance and liaise with line managers to support this.

'I have had an amazing time, I've enjoyed it so much, I think everyone I've met within Mitre Group and at Queens Park Community Trust have been really helpful. Of course, Bryony my tutor has been really helpful.'

Saif Arakji - QPR in the community trust,
Marketing Assistant level 3

Face to Face Learning Events

To support the regular online interactions, apprentices will attend at least 3 high impact learning events. This will include an adventure learning experience at the outstanding Mount Cook Adventure Centre, an industry experience and guest speaker, and a peer-to-peer networking event.
